The 2019-20 Gambia Demographic and Health Survey (2019-20 GDHS) was implemented by the Gambia Bureau of Statistics (GBoS). The funding for the GDHS was provided by United States Agency for International Development (USAID), the United Nations Population Fund (UNFPA), the United Nations Children’s Fund (UNICEF), the United Nations Development Programme (UNDP), the World Health Organization (WHO), ActionAid International The Gambia, the Network Against Gender Based Violence, the National Nutrition Agency (NaNA), and The Government of the Republic of The Gambia. ICF provided technical assistance through The DHS Program. The contents of this fact sheet are the sole responsibility of GBoS and ICF and do not necessarily reflect the views of USAID, the United States Government, or other donor agencies.
